PROFESSIONAL EXPERIENCE

Chief Executive Officer | Defigo | Norwegian Proptech

Nov 2023 – Mar 2026 · Promoted through RVP Sales → GM Americas → CEO

Recruited to open the US for a European access-control company. No existing revenue, team, or brand. Owned full P&L.

- **GTM from Scratch:** Designed and launched the complete go-to-market stack: outbound engine, channel program, pricing model, installer workflows, qualification framework, and pipeline forecasting.
- **Revenue:** 16 active buildings. ~\$80K hardware revenue + ~\$96K recurring ARR in 18 months from a standing start.
- **Channel:** Built a channel-first distribution model. Signed Wesco and Everon as anchor partners; recruited 15+ regional integrators across US and Canada.
- **Market Validation:** Ran ICP discovery across five buyer personas (developers, owner-operators, REITs, integrators, distributors) to validate US product-market fit and inform pricing.

Co-Founder & Head of Sales | Percy | QSR Automation

Jun 2022 – Jul 2023

Co-founded a hardware-SaaS company automating kitchen operations for QSR brands. Sole owner of GTM.

- **Revenue:** \$0 → \$100K ARR in 9 months. \$331K live ARR, \$878K total booked ARR by exit.
- **Customers:** Closed multi-location QSR brands. 17 deployed sites across North America.
- **Systems:** Built the full sales stack from blank page: ICP framework, demo flows, SDR workflows, outbound sequences, messaging, pricing architecture, and conversion playbooks.

Director of Enterprise Sales | Lane Technologies | Acquired by VTS

Jun 2021 – Jun 2022

Hired to build Lane's first enterprise sales motion. Proptech platform targeting Fortune 500 commercial occupiers.

- **Pipeline:** Opened enterprise pipeline: advanced Adidas and American Express to proposal stage (~\$500K potential ARR).
- **GTM → Acquisition:** Designed the enterprise ICP, outbound playbooks, multi-stakeholder deal choreography, and ROI narrative. This GTM architecture directly informed Lane's acquisition positioning by VTS.

Head of Sales | Relay Financial | SMB Banking Platform

Nov 2020 – May 2021

Brought in to build Relay's foundational sales infrastructure during high-growth phase.

- **Foundation:** Built the playbook, onboarding program, enablement framework, and outbound engine from zero.
- **RevOps:** Installed pipeline standards, forecasting cadence, rules of engagement, and coaching rhythms that became the sales org's operating system.

Sales Manager | Clearco | Revenue-Based Financing

Aug 2019 – Oct 2020

Led a capital deployment pod funding e-commerce and DTC founders at one of Canada's highest-profile fintechs.

- **#1 Pod:** \$5.7M deployed in a single month - #1 across all pods company-wide.
- **Margin:** Flipped pod contribution margin from negative to +57%. Highest margin in the org.
- **Systems:** Built coaching systems, performance frameworks, and onboarding processes that became team standard.

Sales Manager & Account Executive | Hubdoc | Acquired by Xero

Jul 2017 – Aug 2019

Joined as IC, promoted to Sales Manager. Top-performing AE before building a 12-person team.

- **IC Performance:** \$750K+ ARR generated. 90+ new subscriptions/month as top individual contributor.
- **Team & Enablement:** Built and managed 12-person team. Designed GTM training and enablement frameworks adopted across Hubdoc and broader Xero ecosystem post-acquisition.

Account Manager | Resolve Collaboration Services

Aug 2016 – Jul 2017

- Full-cycle sales in high-volume outbound (80–120 calls/day). Closed public-sector accounts including Canadian Internet Registration Authority.
